No extreme hair, finger nail, or make-up styles will be allowed on stage. Hair must not be in student's face – this applies to males and females. Front hairline can not be all the way to the eye – these results in your child's face being in a shadow during the performance and created constant as hair is moved for sight-line. If needed, hair accessories/product should be minimal and matte black finish – nothing obtrusive. Girls with longer hair will wear hair in a pony tail – if applicable, boys will do the same.

I believe that you will be pleased with the appearance of our students on stage. If there are personal issues with any of these suggestions, please contact me. However these have been discussed with various parent meetings already. If obtaining the recommended concert wear presents any problems (financial, religious etc.) please contact Mr. Firestone. Thanks for all your help and support.

Again, if there are any concerns regarding this recommendation, please contact Mr. Firestone through e-mail at choironfire@dadeschools.net

Obviously these have to be ordered and checked out early. If obtaining the recommended concert wear presents any problems (financial, religious etc.) please contact Mr. Firestone. Students should bring shirts in for Mr. Firestone's approval. Forgive the repetition for those who have heard this repeatedly at orientation etc.

In addition to that, here are some recommendations to follow:

If there are personal issues or considerations with any of these suggestions, please contact Mr. Firestone, Jessica Vega, or e-mail the booster club board and we will accommodate you. Please be aware that this stage apparel was chosen in an effort to minimize any costs for our growing students in the treble group.

Please be accurate— This sheet should be a realistic representation of the time your child has practiced outside of class time and rehearsals. Missed practice can not be made up on one day by making another practice longer. There must be daily attention to learn a skill. However – the minutes on one day could be accumulated over an evening in individual instances no less than 15 minutes.

Wildcat Chorus Concert Attire

Welcome to the Wildcat Chorus. As we begin the school year, the concert season will be here before you know it! We would like to solidify the following recommendation for concert uniform/attire for the choir this year.

This year we will use an internet company for concert wear to minimize time and financial concerns. Ladies who are entering the program this year will need the following items: Dress (This will be a Princess Line Dress in a black Satin. The dress will be sleeveless and will have a sweetheart neckline. Fitting ties will allow Ladies to adjust the waistline to their specific needs). The dresses are available in children sizes through misses sizes at: www.formalfashionsinc.com. The style is 3760 RA – we will be wearing black in the royal satin/shiny finish. Female students will also need to purchase faux pearl jewelry – necklaces and earrings. These are found cheapest at : www.ictuslimited.com under accessories. You will have the option to purchase the Faux Pearl necklace and earrings (pierced or clip on). This is also a great web location to buy shoes for the girls The Broadway Character Shoe is the preferred shoe for you to purchase. If size is an issue, you may purchase the Ballare shoe. (Black for either shoe style). However, similar shoes purchased at any location will be fine.

Boys who are beginning with the program this year will need to have the following items: tux shirt (The shirt should have a pleated front with a wing-tip collar, as well as black button studs) , black bow tie, cummerbund, tuxedo trousers with flat front/satin stripe– all available from either of the web sites mentioned above. All boys will need to wear black dress shoes with full length black dress socks – belts are not needed with tuxedo pants. White undershirt is desired and no visible jewelry is allowed (wrist and neckline covered by shirt.) Shirts are also available at all formal wear shops, and we have found them most inexpensively at Burlington Coat Factory. The shirts are also available on line at several other locations:
